Office of Micronesian
Status Negotiations
Department of the Interior
Room 3356
Washington, D.C.

Dear Adrian:

I have and thank you for your letter of April 19 and its enclosures. I note that the enclosures include a study of the fauna and flora of Tinian, although the letter indicates that you are still exploring that matter with the Defense Department. I take it that this means that you were successful in the negotiations, and I appreciate your efforts. I understand that the study has no official standing yet.

I look forward to hearing from you again.

Sincerely,

Michael S. Helfer
