MEMORANDUM TO H.P. WILLENS

For the purposes of our meeting this evening, here is a set of my most up-to-date materials on the Commonwealth Agreement. This set does not include the materials on the Preamble, Title I and Title II, since I know that you have the most up-to-date materials for those sections.

On the Preamble, Title I and Title II no revisions have yet been made, although Mike and I have gone over the material in detail and agreed to a number of changes. I believe it is better to complete the entire Agreement before going back for revisions of individual sections. That is true also for Title VIII (Financial Section) and Title X (Consultation Between the Parties). Mike and I have not yet had a chance to discuss Title XI on Transitions and the explanatory material to accompany it is not yet complete.
