MEMORANDUM FOR MR. F. D. LAKE

SUBJECT: MPSC -- Status Agreement Tax Provisions

Attached is a copy of the draft status agreement provisions relating to U.S. income tax in the Marianas. It has been redrafted to take into account the fact that the agreement will come into effect prior to termination of the trusteeship.

I would appreciate your comments. I am leaving Thursday at 11:00 a.m.; if, however, you find serious problems and don't have a chance to review this before then, Sue Shilling can cable Willens or me in Saipan.

Thanks.

Michael S. Helfer
