Dear Jim:

Enclosed is a copy of my letter today to the Chairman. I would very much appreciate your views on any or all of these subjects.

I am sorry that I did not get a chance to pay my respects properly to Joanié and your children before running off to the airport. It has been a wild week since my return, complete with my son's graduation from 9th grade, a large-scale family-oriented religious ceremony for my daughter Peggy. My children all behaved with great distinction, although I am not sure that the same could be said for their father.

See you soon.

Sincerely,

Howard P. Willens
