Dear Howard:

Thank you very much for your letter of 6 June 1974 with the very interesting attachments. As expected, these reflect the unusual good fortune of the Mariana Islanders in their selection of counsel to assist them in these important negotiations.

As promised in our telephone conversation of today, I enclose a copy of Robert Huck's curriculum vitae in response to the point raised in the last paragraph of your letter. The curriculum vitae is somewhat out-dated. Last year Huck, at the request of Lauchlin Currie (who has a high opinion of Huck's abilities) did a very innovative study on assessments and land values in Colombia, as well as more straight-forward assignments in his field in Bolivia.

I look forward to meeting with you Friday afternoon, 14th June. Very many thanks for keeping us up to date on this interesting activity.

Sincerely,

Randolph L. Marshall
Director
International Programs
