MEMORANDUM FOR HOWARD WILLENS

SUBJECT: Marianas Scheduling

It took me an hour and a half on the phone today to work out the following rather straightforward schedule.

The meeting of the Joing Drafting Committee will be held at Wilson's office at 2:30 on Wednesday afternoon (September 25). The meeting of the Joint Land Committee to receive the Defense Department's presentation concerning land values will be held at 9:30 Friday morning (September 27). Seldin and Leonard will meet in your office at 9:15 to walk over to Interior.
