9/25/74

3:25 p.m.

HPW:

Barry Kriebel of Arnold Leibowitz office called requesting a 1968 report made by Future Political Status Commission to the Congress of Micronesia discussing and identifying alternatives for political status; discussion of other territories (Puerto Rico, Guam, etc.). Mr. Kriebel has been looking all over Washington trying to find a copy and thought perhaps this office might have one. His office is doing work for Guam or on Guam and thought it might be helpful.
