MEMORANDUM TO ROBERT KELLEY

Re: MPSC

Attached are the following: Report of the Commission on the Application of Federal Laws to Guam; a package of information sent to me by the Ad Hoc Advisory Group on Puerto Rico (see particularly the "Guidelines, proposals and background data on the areas outlined by the Puerto Rican members," marked with a paper clip); and a Memorandum to the File concerning my discussions with the Executive Director for the U. S. of the Ad Hoc Advisory Group.

I have been trying for some time to set up a meeting with members of the staff of Congressman Won Pat of Guam. As soon as a date and time is set, I'll let you know because I think we both ought to go.
