MEMORANDUM

To: The Chairman, Under Secretaries Committee
From: Ambassador Franklin Haydn Williams
Subject: Micronesian Status Negotiations

Attached herewith is a copy of the letter which I sent to the President concerning the Seventh Round of Micronesian Status Negotiations held in Washington, D.C., November 14 to 21, 1973 and the Third Session with the Marianas Political Status Commission held in Saipan, Mariana Islands, from December 6 to 19, 1973.

The letter touches on the highlights of both series of talks and discusses the current status of the negotiations. I believe you will find it of interest.

The Office for Micronesian Status Negotiations will be happy to answer any questions you may have regarding the Proceedings and I will, of course, be available for any consultations that the Under Secretaries Committee may desire.
