Mr. James R. Leonard
James R. Leonard Associates
1601 Connecticut Avenue, N. W.
Washington, D. C. 20009

Dear Jim:

There is enclosed a copy of the United States draft of the Joint Land Committee report. I have agreed to act as coordinator for the comments of the Commission members and the consultants with respect to this report.

Have you had an opportunity to review your files to see if you have the materials on retention lands which we discussed?

Sincerely,

Michael S. Helfer
