OFFICE OF THE SECRETARY OF DEFENSE

30 Oct 74

Memo For Mr. Harry Almond/OGC - 3E987

The latest draft of the Marianas Agreement/Covenant is circulated herewith for review.

I would appreciate the identification of those sections still unacceptable to DOD (including the MPSC proposed wording) and comments on how each should be corrected.

If possible, I would appreciate the results of at least a partial review by 5 November, with the balance forwarded during the week. Further changes are expected.

E. C. WHELAN, CAPT, USN  
Asst for TTPI
