Robert Roethal, Esq.  
Drug Enforcement Administration  
Room #1203  
1405 Eye Street, N.W.  
Washington, D.C.

Dear Bob:

I am glad to hear that someone else I know will be visiting Saipan in the near future. Enclosed for your information is a summary report regarding the status negotiations in which I am involved and a copy of a book - on a loan basis - which you might find useful background. I hope that our paths cross at the Saipan airport, if not before.

Best personal regards,

Sincerely,

Howard P. Willens
