

FILE 10 (42)

October 15, 1974

Honorable Emory M. Jackson  
Chairman  
Committee on Interior and Insular Affairs  
United States Senate  
Washington, D. C. 20510

Dear Mr. Chairman:

The Secretary of Defense has asked me to reply to your letter of October 7 authorizing Messrs. Daniel A. Dreyfus, Engineering Consultant to the Committee; James F. Bairns, Counsel for the Subcommittee on Territories and Insular Affairs; and Walter S. Flakowicz, an investigator assigned from the Permanent Subcommittee on Investigations of the Senate Committee on Government Operations to travel to American Samoa, Guam, and several foreign locations, as well as a number of the Micronesian Islands during the period October 11 - November 16, 1974.

I have asked the Department of the Navy to furnish such logistical support as may be required, to include air and ground transportation while overseas, to facilitate the Committee's work and assure the successful completion of their mission.

A representative from the Office of Legislative Affairs will contact Mr. Dreyfus (225-1076) to make the necessary arrangements.

Sincerely,

Signed — John M. Maury
