Dear Mr. Willens:

I regret that I was unable to make arrangements to meet with you during my recent visit to Washington, D.C. and although I did have a return call from Mr. Mike Helfer it came at precisely the point in time when I was leaving the city for New York. I expect to be back in the Washington area the 3rd and 4th of December and perhaps this might be a convenient time to discuss further with you the matters raised in our various exchanges of correspondence.

We had a visiting investigator here, Mr. Richard Meunier who asked that greetings be passed along to Mr. John Rounsaville.

Looking forward to your reply and with kindest regards, I am

Very truly yours,

Edward L. Towle, Ph.D.  
President
