Dear Mr. Kriebel:

Unfortunately it has been impossible for me to review the materials that you were kind enough to send over concerning Micronesia and the Marianas. I will attempt to do so on my trip to the Marianas and will bring them to the attention of Howard Willens once I arrive there.

You may know that Paul Warnke represents the Joint Committee on the Future Political Status of the Congress of Micronesia. I would think that he would be in a better position to comment on your draft concerning Micronesia than am I.

Sincerely,

Michael S. Helfer
