Mr. Jack Wajac
Office of Senator J. Bennett Johnston
Room 0432
Senate Office Building
Washington, D. C. 20510

Dear Jack:

Enclosed is a copy of the summary report which I made reference to in my letter of a few weeks ago. I have just sent copies of this document to each member of the Subcommittee and requested the opportunity to meet with them or a member of their staff to discuss the matter in person.

I know that the Senators are very busy and that the Marianas is low on the list of priorities. It would be helpful to me if you could identify the staff man or woman, if there is one, in each of the Senator's offices who might have some vague responsibility or interest in this particular area. At that point, perhaps with your good offices, I might be able to secure an appointment and try to begin the process of informing the Senators through their staffs regarding the negotiations.

Best personal regards,

Sincerely,

Howard P. Willens
