Dear Miss Trent:

The House Committee on Resources and Development held a public hearing on H.J.R. No. 88 regarding the moratorium on homesteading and the leasing of public land on Tinian Island on Monday, February 11. The Committee requested your presence at that hearing thinking that you could help us clear up some of the issues involved in it. However, you did not appear and acting Chairman Ataji Balos was given no explanation for your failure to appear. The purpose of this letter is to request an explanation.

Sincerely,

Representative Sasauo Haruo
Chairman, House Committee on Resources and Development
