Mr. Robert Prosek  
Chief of Statistics  
Immigration and Naturalization Service  
Washington, D. C. 20536

Dear Mr. Prosek:

I am writing to you to request certain statistical information relating to Guam. Ms. Sullivan of your office suggested that this was the appropriate way to obtain the information.

First, I would like to get some information about aliens whose status was adjusted to permanent resident status in Guam during each of the two most recent fiscal years for which the information is available. The analogous tables in your 1972 Annual Report are Tables 6B and 6C. In other words, to paraphrase the titles of the tables, I need the following:

"Aliens Who Were Adjusted To Permanent Resident Status In Guam, By Country or Region of Birth" (cf. Table 6B);

"Aliens Who Were Adjusted To Permanent Resident Status In Guam Under Section 245, Immigration and Nationality Act, By Status at Entry and Country or Region of Birth" (cf. Table 6C).

Second, I would like to get some information about the classes of nonimmigrants admitted to Guam during each of the two most recent fiscal years for which the information is readily available. The analogous tables in your 1972 Annual Report are Tables 17, 16A, and 16B. To paraphrase again the titles of the tables in the Report, I would like to get tables which show for the latest two fiscal years:

February 27, 1974

"Nonimmigrants Admitted To Guam By Classes Under the Immigration Laws and Country or Region of Last Permanent Residence" (cf. Table 17);

"Temporary Workers Admitted To Guam Under Section 101(a)(15)(H) of the Immigration and Nationality Act, By Country or Region of Last Permanent Residence" (cf. Table 16A);

"Temporary Workers Admitted To Guam Under Section 101(a)(15)(H), (J), and (L) of the Immigration and Nationality Act, by Occupation" (cf. Table 16B).

Third, I would like to get some information about the classes of immigrant aliens admitted to Guam during each of the two most recent fiscal years for which the information is readily available. The analogous tables in your 1972 Annual Report are Tables 6A, 7A, and 8A. To paraphrase once again, I am looking for:

"Immigrants Admitted To Guam By Classes Under the Immigration Laws and Country or Region of Last Permanent Residence" (cf. Table 6A);

"Immigrants Admitted To Guam By Foreign State of Chargeability and Preferences Under the Numerical Limitation of 170,000 for the Eastern Hemisphere (P. L. 89-236)" (cf. Table 7A);

"Beneficiaries In Guam of Occupational Preferences And Other Immigrants Admitted By Occupation" (cf. Table 8A).

This information is needed in connection with negotiations between the Marianas Political Status Commission, which is represented by this law firm, and the United States Government concerning a new political status for the Marianas Island District of the Trust Territory of the Pacific Islands. If you have any questions about the role of this firm in the negotiations or about the necessity of the information requested in this letter, please feel free to call me at the number above, or to call, as a representative of the United States Government, Mr. Adrian deGraffenried of the staff of the Office of Micronesian Status Negotiations, Department of the Interior Building, Room 3356 (343-9143).

In view of the importance of this issue to the negotiations, I would very much appreciate your expeditious handling of this request.

Sincerely,

cc: Mr. Willens
