Honorable Joachim Falmog  
Speaker, Yap District Legislature  
Colonia, Yap  
Western Caroline Islands 96943

Dear Mr. Speaker:

Senator Lazarus Salii, Chairman of the Political Status Commission, Congress of Micronesia, has requested me to attend and participate in the next round of Political Status Talks between the United States Delegations headed by Ambassador Franklin H. Williams and the Micronesian Status delegations sometimes this month.

In anticipation to this meeting, we prepared a Yap District Plan for FY 1976-1980 in three levels, with no restriction to Appropriation Ceilings of the Trust Territory. The increases shown thereon are in the area of Capital Improvement Program. Major projects which we feel the Yap District will need during the time frame of the plan were considered.

I am requesting your Hold-Over Committee to review this plan thoroughly on Friday, February 8, 1974, at 1300 p.m. in the Legislature Building.

By a copy of this letter, the Chairman of the Planning Commission and his members are also requested to attend this meeting to jointly review the Capital Improvement Projects with your Committee. Copies of the plan will be distributed during the meeting.
