MEMORANDUM FOR MR. WILLENS

Subject: MPSC -- Congressional Contacts

1. Attached are a current list of the members of the House Interior Committee and its Subcommittee on Territorial and Insular Affairs, and biographies of certain key members of the Subcommittee.

2. Resident Commissioner Jaime Benitez is assigned to the Committee on Education and Labor.

3. Winkel said that we should contact Dunmire about a meeting with the Republicans. Should that await your meeting with Burton and the Democrats?

4. On reflection, I decided it wasn't necessary to put off trying again to meet with Won Pat's AA. Do you disagree?

5. Note Won Pat is a Democrat (I had thought not).
