Congressman Antonio Borja Won Pat
Room #219
House Office Building
Washington, D. C. 20515

Dear Congressman:

Thank you for the opportunity yesterday to meet with you and discuss the current status of the Marianas negotiations. I think it is of particular importance that you and your constituents understand the goals of the Northern Marianas and our conviction that the people of Guam will ultimately share in the benefits of whatever political status we are able to negotiate with the United States.

I am enclosing for your information two documents which may be of interest. The first is the summary report which I have prepared regarding the current status of negotiations and the second is a review prepared by this firm of the tax laws applicable in the various territories.

I look forward to seeing you again.

Sincerely,

Howard P. Willens
