From OEO

WASHINGTON - Guam Rep. Antonio B. Won Pat has announced that the Office of Economic Opportunity has awarded two Community Action Program grants for the Trust Territory.

The Mariana Islands District Community Action Program has been allocated \$39,250. OEO officials in Washington said the funds will be used the next three months to provide for administrative expenses of the territorial program. Project Director is Herman R. Guerrero.

The other part, totaling \$32,250, was awarded to the Palau Community Action Agency in Koror. The three-month refunding grant will be used to continue administration and services currently provided by the agency's programs. Director of the agency is Pete L. Sugiyama.
