MEMORANDUM

TO: Mr. Willens
FROM: R. K. Kelley
RE: Marianas

Captain Scott of the U.S. team called today. In your absence, his call was given to me. Captain Scott referred to your meeting last Friday with him regarding the Ad Hoc Committee Report and the fact that your call to Captain Scott's deputy was not returned, and then stated that the Ambassador had refused to extend the deadline for the Report. Captain Scott further stated that he wanted to inform you that the Ambassador, Captain Scott and a Mr. Berg of the Interior Department are traveling to Honolulu next week to meet with Mr. Pangelinan and Mr. Santos, as well as with the High Commissioner and other individuals from the Trust Territory. Captain Scott particularly wanted you to know that this meeting did not concern the Ad Hoc Committee Report and thus did not represent any end run away from you with respect to that Report. Captain Scott did not state what the purpose of the meeting next week in Honolulu was, nor did I ask him.
