

MARIANAS COM DELEGATION

Generally

1. - Very low profile in COM respecting Marianas separation; but high profile for Micronesian-wide matters;
2. Support given to JCFS sponsored legislation: i.e., establishing JCFS with expanded membership, constitutional convention, Micronesian "unity", excess amendments to public land transfer act, LOS Conference and 200 mile territorial waters position, contempt of Congress act, more autonomy to Micronesia from USG control (i.e., election of High Commissioner, Micronesian judges), support dissolution of TRANSPAC, reopen war claims, membership in ADB, UNDP, South Pacific Forum;
3. Very critical of TTPI & USG re: development programs, return of public lands, Tinian moratorium.
