Dear Mr. Willens:

Thank you for your letter relating to Marianas Political Status Commission and current negotiations on political union.

I would welcome a meeting with you to discuss the matter. May I suggest that you work out a schedule with Adrian Winkel. As you may be aware, things are jumping on the Hill about now, and I am running from meeting to meeting most of the time. These matters are important to the people in the Marianas, however, and we must address ourselves to them, so I am sure we can work out a mutually convenient time to meet.

Sincerely,

Lloyd Meeds
Member of Congress
