MEMORANDUM FOR ELAINE MITCHELL

I have this firm's copy of the 2 volume Trust Territory Code put out by the Book Publishing Company of Seattle, Washington. The supplement in the back of the code is entitled "Supplement No. 1", and it purports to contain "all of the laws of a general nature that were enacted in 1971 and 1972 by the Government of the Trust Territory of the Pacific Islands." Could you find out if there is a later supplement, and if so obtain it?
