Wilmer, Cutler & Pickering
1666 K Street, N. W.
Washington, D. C. 20006

Dear Howard:

Enclosed please find the following:

1. The latest U. S. draft of the Technical Agreement.
2. My comments in reference to that Technical Agreement.
3. Material given to me by Alf Bergesen's secretary which I thought might be helpful to you in preparing for the Constitutional Convention.
4. The closing speech of Ambassador F. Haydn Williams.
5. The closing speech of Edward DLG. Pangelinan.
6. The final Joint Communique and the Covenant that was attached to it.
7. The paper dictated by Mike Helfer entitled, "Joint Communique", but which we intend to use for an explanatory memorandum.
8. The Joint Drafting Committee working draft of the Covenant that you had Pat put on mag cards.

My comments in reference to the Technical Agreement are not meant to be all inclusive. They are an attempt to hopefully place proper emphasis in areas that I feel are important. The material acquired from Lois Valk actually

may, or may not be, meant for our eyes; but at least it gives us an insight into the U. S. thinking in reference to preparational material for the Constitutional Convention.

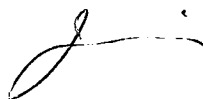

Please let me know when you plan to arrive and I will try to make the appropriate accommodations. If possible, at the Continental Hotel; but I suspect inflation may have struck.

Sincerely yours,

Enclosures

P.S. Rose is making a big play for himself and Mafra on joint cases. - Oleg close to crumbling but Eddie trying to pump him up. I had a 12 pm talk with him. Also meeting with Patricia and Eddie reminding him of commitments. The game continues and once again Pete is somewhat weak in P.T. and who knows how it will come out. Dr. quietly named Oleg as J.C. in G.P.Q. for co-chairman - I'll hear you posted.
