MEMORANDUM FOR THE MARIANAS POLITICAL STATUS COMMISSION FILE

Subject: Conversation with Gil Kujovich

I spoke to Gil today about the possibility of going out to the Marianas and doing legal work in conjunction with the transition program. Gil is very interested in working on something like this but he is already committed to clerk for Judge Hufstedler in California next year. I told him that I would send him the most recent Joint Communique and a copy of the Covenant and that I would convey his views to Howard Willens.
