Committee, Department of State

From: Deputy Assistant
Secretary of the Interior

Subject: Micronesian Status Negotiations: Request for Amendment
to Negotiating Instructions and Recommendations for the
President's Approval

Stanley R. Brennan

The draft Memorandum for the President which comments on Ambassador Williams' report and supports the Ambassador's requests has been reviewed. I find no problem with either the Memorandum or the draft Covenant with respect to the functions and responsibilities of the Department of the Interior.

Accordingly, please note the concurrence of the Department of the Interior as to your draft Memorandum for the President.
