1666 K Street N.W.
Washington, D.C. 20006

Dear Mr. Helfer:

Thank you for the copies of the Joint Communique of December 19, 1974 and the draft Covenant, which reached me this morning.

We will begin shortly to prepare an initial research memorandum on the negotiations, and should these matters need further clarification, I shall be in touch with you.

Thank you as well for taking the time to discuss this situation with me over the telephone Tuesday.

Sincerely yours,

Thomas R. Schuck
