The Honorable Edward E. Johnston  
High Commissioner  
Trust Territory of the Pacific Islands  
Saipan, Mariana Islands

Dear High Commissioner Johnston:

In the past we have solicited your cooperation and that of the District Administrator. Your responses have always been prompt and most accommodating. We now turn to you once again.

During the past several weeks we have been concentrating on registration. We feel that our registration program has been quite successful. We are now directing our primary efforts to our political education program. Here we need the assistance of translators. We are therefore requesting the assignment of Gus Tagabuel (Headquarters Finance Department) and John Pangelinan (District Public Works) to accomplish the Carolinian and Chamorro translations.

Both of these gentlemen have helped in the past or have volunteered to assist and we expect that we will need their services more frequently and more continuously in the next several weeks than we have in the past. We would deeply appreciate their availability.

Sincerely yours,

Erwin D. Canham  
Plebiscite Commissioner
