Re: Tinian Proclamation, May 19, 1974⁵

Suggested reply IF ASKED:

Provisions for U.S. lease of land on Tinian are written into the Commonwealth Covenant which was negotiated by the MPSC on which Tinian was represented by two members. These members signed the Covenant on February 15. Those registered voters in the Marianas District who oppose the Covenant will have full opportunity to express their opposition by voting NO in the plebiscite on June 17.
