The Honorable Edward E. Johnston
High Commissioner
Trust Territory of the Pacific Islands
Saipan, Mariana Islands

Dear High Commissioner Johnston:

The Plebiscite Voter Registration Board has requested specific information. We would appreciate, therefore, if the following information could be obtained and forwarded to us for transmittal to this Board:

- (1) A list of all persons of Northern Marianas descent who have become United States citizens.
- (2) A list of persons who are currently serving a sentence or under parole or probation for any felony by virtue of a conviction by any court of the Trust Territory.
- (3) A list of Trust Territory employees from other districts who are receiving housing or any other differential by virtue of their employment here in the Mariana Islands. The Board would also like to have a list of any of their dependents over the age of 18.
- (4) A list of students from other districts attending school in the Mariana Islands District - basically those students 18 years of age or older.
- (5) A list of persons judged as currently mentally incompetent or insane.

We realize that this request will present certain inconveniences, but we feel that this information is essential in view of the forthcoming Plebiscite and the current registration program.

Sincerely yours,

Erwin D. Canham
Plebiscite Commissioner
