Dear Mr. Willens:

Thank you for affording me an opportunity to meet with you last Friday.

I have advised Mr. Charles Davis of The State Legislative Leaders Foundation of our discussion concerning the Northern Marianas. The Foundation and its Board of Directors are keenly interested in a contractual relationship which would permit SLLF to provide a wide range of consulting and technical assistance services to the Northern Marianas government.

In view of our brief conversation, I have suggested to Mr. Davis that he plan to visit Washington sometime early in January to meet you and other interested persons of the Department of Interior. I am confident that he will contact you in advance-directly or through me-to arrange an appointment convenient to your schedule.

Again, thank you for giving me a few minutes of your busy calendar. If there is anything I might do for you in this matter, please do not hesitate to call.

Sincerely,  
  
Jesse W. Whitley
