MEMORANDUM FOR HOWARD P. WILLENS

I was informed by OMSN today that the Senate Foreign Relations Committee will meet on January 20 to mark up the Covenant. That news raises the question of what, if anything, we should do. One thing we might do is to cable Eddie and urge that cables be sent from the Marianas to all members of the committee. Another thing we might do is to revise the anti-delay letter we previously sent to the Foreign Relations Committee (copy attached) and have it delivered late this week or next Monday. Finally, we might see if Gerard Smith thinks it would be worthwhile to touch base again with Percy and Javits.

Adrian told me this morning that the Ambassador will be back in town tomorrow; you can probably expect a call from him on these matters.

I will be out of town until next Monday, and I will check with you on Monday morning.
