MEMORANDUM TO MESSRS. LAPIN, SOLOMON, KOFFSKY, WESTIN,
CAPRA, WEISBURD and MS. SIEMER

SUBJECT: Northern Marianas Constitutional Convention

I have just received word today that we have been officially retained by the Office of Transition Studies and Planning to provide professional services in connection with the Convention. According to our most recent information, the legislature has designated July 12 as election day and August 2 as the starting date for the Convention. In other words, we are now operating under all of the time pressures that we reviewed together earlier this week.
