Saipan, Mariana Islands 96950

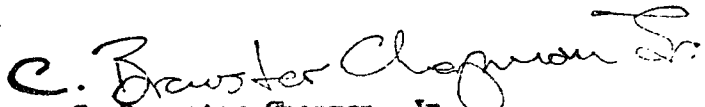

Dear Harry:

I have your letter of May 26, 1976 concerning your problems with the judiciary in Micronesia. I think I appreciate your difficulties and will see if something can be worked out. I have already made a suggestion to Emmett Rice for a proposed solution, but as you can appreciate, this will take some time and considerable approvals and clearances if anything can be done.

I was pleased to learn from Emmett that your problems vis-a-vis separation of functions and providing judiciary for the Northern Mariana Islands District appear to be working out.

We shall be in touch with you further when we have had a chance to talk your other problem out here.

Sincerely yours,
