Dear Howard:

This is the first installment on the request in your June 21 letter. It includes:

1. The State Department reports to the UN on the Trust Territory, for 1974 and 1975.
2. The Annual Reports of the High Commissioner for 1973 and 1974 (the 1975 edition is not yet complete).
3. Trust Territory Judiciary Statistical Reports for the months of July 1975 and April 1976, for some reason the only months for which summary sheets were readily available.
4. The OTSP work program for July 1976 - January 1978.

You also requested recent annual reports by the Marianas Distad regarding district affairs. Frank Ada told me that no real annual reports were prepared during his tenure. However he promised to pull together his messages to the District legislature and any other appropriate documents from the last couple of years for us. These were to be delivered before I left but he didn't make it. Adelina will follow up on this and send along whatever he produces.

In addition, I contacted Linsey Freeman, the Marianas D.A. for more statistical information on the Marianas judiciary. He was on his way to Rota at that moment but his assistant, Pete Atalig, was going to work on what you need. Adelina will also follow up on this one.

Best regards.

Sincerely yours,
