MEMORANDUM TO HOWARD WILLENS, DEANNE SIEMER, and JAY LAPIN

I telephoned Eddie Pangelinan this afternoon to say goodbye and to thank him for his cooperation with our efforts. Eddie said that he is very impressed with our work and has so written Pete Tenorio. Eddie also reported that he has requested Mr. Tenorio to lend his good offices in placing Jason in school in Saipan. Finally, Eddie said that he will not be present in Saipan during the Convention.
