Gentlemen:

Wilmer, Cutler and Pickering, a name to be remembered here in the Marianas for years to come. I am proud that I had the opportunity to associate with the staff who assisted in the formulation of our Constitution. As a member delegate to the Convention I wish to extend my sincere appreciation for a job well done. Your staff are truly professional individuals with open heart ready to bend professionalism in order to accommodate the wishes and desires of our people. They are responsive to our needs yet firm in their profession. They understand our uniqueness and are always ready to provide alternatives which will be acceptable to the U.S. government.

Please extend once more my thanks to Howard, Deanne, Bob, Paul, and Neil.

Have a happy holidays.

Jesus G. Villagomez
