The Honorable Tosiwo Nakayama  
 President, Senate  
 Congress of Micronesia

Dear Mr. President:

Thank you for your letter of December 21, 1976, in which you offer your support and assistance in the investigations being conducted by the Select Committee on Intelligence, concerning the allegations of improper activities by the CIA in Micronesia. I have reviewed the joint statement that you have issued and I want you to know that I and members of the Select Committee will do everything possible to strengthen the close relationship that has existed over the years between the Congress of Micronesia and the United States.

The Committee will carefully consider the three-part request made in your letter.

On behalf of the Committee, I want to thank you for your assistance and understanding. When the Committee's inquiry is completed, I will write to you again.

With kind regards,

*Alph. Rouve*
