Memorandum

To: C. Brewster Chapman
From: Ruth S. Van Cleve
Subject: Laws applicable to the Northern Marianas

You will find enclosed my letter to Mr. Canham of November 2, his to me of November 10, and my response of today's date.

You will see that I advised him that I would request your comments on the OSHA and Federal Highway Safety Act questions he raises on page 2. Will these both apply after January 9 to the Northern Marianas? If yes, do you currently perceive any particular problems arising from that application?
