Dear Jesus,

Attached is a "Receipt of Property" document listing thirty-seven (37) pieces of office equipment that have been loaned to the "Con-Con" for use by the delegates, during convention.

I hope that you understand that this can only be a loan, since we are required to dispose of all Headquarters personal property under the regulation as stated in PL-96-597. You are welcome to use the equipment as long as the convention is convened and the delegates have a need. But at the termination of the "Con-Con", I will have to ask that all of the equipment be returned to the Trust Territory warehouse in Lower Base, to be included in the rest of the inventory that is to be distributed later.

I am glad that we were able to assist you in this matter.

Regards
