Re: Announcement

KCNM Radio (1053 on your dial) is adding an additional broadcast to their Con Con coverage starting tonight. A daily wrap-up report will be aired following the AP NETWORK News at 8pm nightly, Mon. thru Fri, throughout the Convention.

So all Delegates are aware, we are currently broadcasting live at 11Am & 3pm from the Tinian Delegation Office here at the House of Toga, daily Mon. thru Fri to keep the public informed of Con Con proceedings.

Thank you all for your cooperation.
