Brian McMahon, Public Defender
The Office of the Public Defender
Saipan, CM 96950

Dear Mr. McMahon:

There are approximately twenty remaining working days available to the delegates to the Second Northern Marianas Constitutional Convention and the tasks that the delegates are faced with are considerable. The work is enormous with so limited time.

There are many complex issues before us necessitating a great deal of research. Thus, we are in need of professional services, particularly in the field of law. The only legal assistance available to us are those provided by the Office of the Attorney General, which assistance is not enough.

As Chairman of the Committee on Finance and Other Matters, I would like to request your office to make available to us, on a daily basis, the services of your staff attorney, Mr. Robert C. Naraja. Because we need his services so urgently, his availability is respectfully requested at the earliest possible date. If you have any question to address immediately please contact me at telephone number 6517/6572/6561.

Your cooperation is greatly appreciated.

Sincerely yours,

Larry I. Guerrero
