For Consideration by the Committee on Organization & Procedures:

1. Committee Chairmen are requested to advise the President of any delegate proposals that they believe should be reassigned to another committee or considered by more than one committee. The President will then make a decision on such reassignment or referral to an additional committee. This will ~~be~~ help resolve any conflict in committee assignments or overlap of proposals.
2. In any case where a delegate proposal has been referred to more than one committee, a committee report on that proposal will not be placed on the agenda for consideration by the Convention until all committees to which the proposal was referred have issued a report on the proposal.
3. Committee reports should be submitted to the Secretary for numbering, after which they will be placed on the Convention agenda.
