

FROM

A PROPOSAL

To amend the Constitution to provide that as of January 1, 1986 the number of alien workers and investors, excluding tourists, in any island shall not exceed more than twenty-five percent of the total number of persons counted in the last decennial census as residents of that particular island.

BE IT ADOPTED BY THE SECOND CONSTITUTIONAL CONVENTION:

Section 1. A new Article XIX with a section 1 is hereby added to the Northern Mariana Islands Constitution to read as follows:

ARTICLE XIX: ALIEN

Section 1: Alien. Effective January 1, 1986, the number of alien workers and investors, excluding tourists, in any island shall not exceed more than twenty-five percent of the total number of persons counted in the last decennial census as residents of that particular island.

Date: 7/2/85
