Mr. Herman T. Guerrero
President, 2nd Constitutional
Convention of the CNMI
House of Taga
Saipan, CM 96950

Dear Chairman Guerrero:

This is to direct your attention to the attached rental agreement between the Con Con leadership and Carmen Safeway Enterprises and signed on June 10, 1985.

In our agreement the initial payment of \$2,500.00 was to have been made on June 10, 1985. To date, no payment has been received. The second payment of \$3,000.00 is due and payable on July 17, 1985, just one week away.

At this point, it may be easiest for the Con Con to submit both payments as a lumpsum.

Item 9 of our agreement provides for a rental extension term. Please advise me at your earliest opportunity should the leadership plan to use the House of Taga facility beyond the July 18, 1985 period provided for in our agreement.

Thank you for your attention to this matter.

Sincerely yours,

RITA L.G. BORJA
