Larry I. Guerrero
Con-Con Delegate
Chairman on Finance
Committee
House of Taga
Saipan, CM 96950

Dear Mr. Guerrero:

Pursuant to Cable Communication Act of 1984, relative to activities and operation of all cable industries situated within the jurisdiction of the United States of America, Tinian Cable TV hereby as part of that jurisdiction, oppose the proposal # 256/85 of the submission of four (4) delegates from Tinian, CM.

Furthermore, it is unlikely in a democratic system in any place in the world, that the freedom of the press can be supress as stipulated in the above proposal.

I sincerely hope that the four (4) delegates from Tinian would come out with a better proposal that might be of an interest to the general public and the people of Tinian.

Hafa Adai,

~~Serafin M. Dela Cruz~~
