Saipan, CM 96950

Dear Governor Tenorio:

On August 20, 1985, we forwarded the proposed amendments to the Constitution to the Attorney General's Office and requested that the staff attorneys prepare the analysis to these amendments for distribution prior to the November 3, 1985 general election.

The Attorney General's Office has not commenced work on the analysis on account of your letter dated August 13, 1985 (copy attached) to the presiding officers of the legislature.

You will agree, I am sure, that the analysis must be prepared and must be made available to the voters prior to the general election in order that they can make an informed decision on the forty-four amendments.

Attached is a copy of the First Constitutional Convention Resolution No. 16 relating to the analysis for your reference.

Sincerely,

  
Lorenzo I. DeLeon Guerrero  
Chairman, Post Convention  
Committee
